DEDICATION

MR. WALTER LINDSAY

The Seniors of 1955 are very proud to dedicate this book to Mr. Walter Lindsay, the school secretary. This is his third year at Caledonia and he has proved to be invaluable to the school and the community. He has overseen many school projects and has done all he could to make them successful. Too, he takes care of all the class funds which makes it much easier for all of us.

Mr. Lindsay has been a good friend to many of us and has helped us with more than one of our problems. He also has a wonderful sense of humor which is appreciated by all who know him. When we leave Caledonia we will all remember a good laugh or two which we had with him.

We, the Class of 1955, would like to thank Mr. Lindsay for all he has done for us and the entire school. Here's wishing him many more happy years at Caledonia High School.

SUPERINTENDENT

This is Mr. Pilkington's second year at Caledonia High School. In addition to his duties as Superintendent he teaches the algebra class.

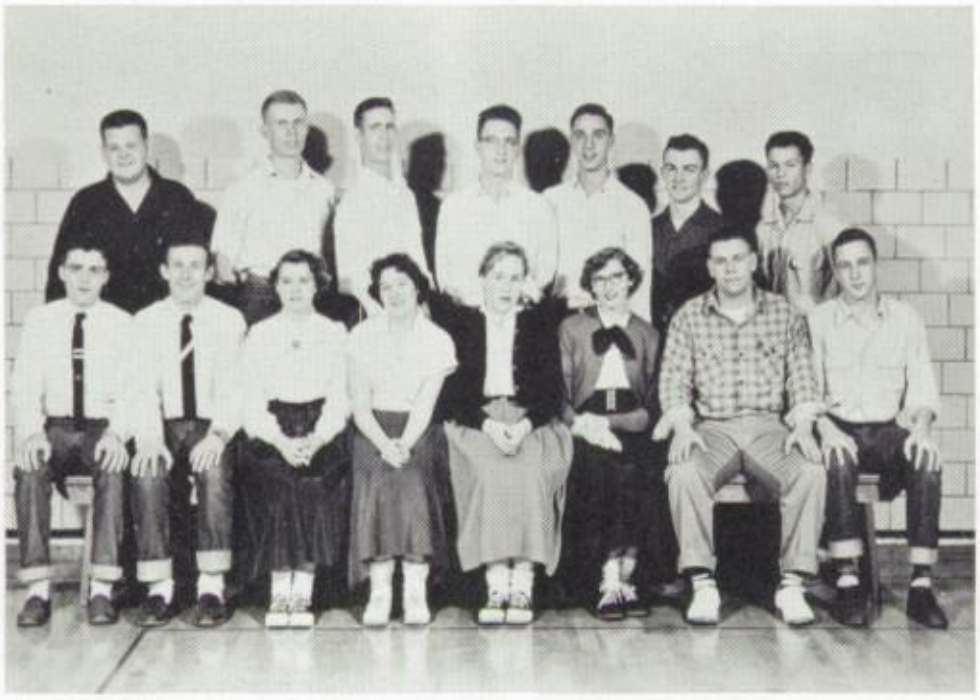
SENIOR CLASS HISTORY



TWELVE YEAR CLUB

1ST ROW: Robert Hill, Howard Koehler, Norma Crissinger, Shirley Guinther, Beverly Harper, Carol Underwood, Tom Phillips, Doug Whiteamire. 2ND ROW: Tom Sickel, Bob Dickerson, George Longacre, Frank McDonald, Larry Brooks, Gene Rice, Ervine Hunt.

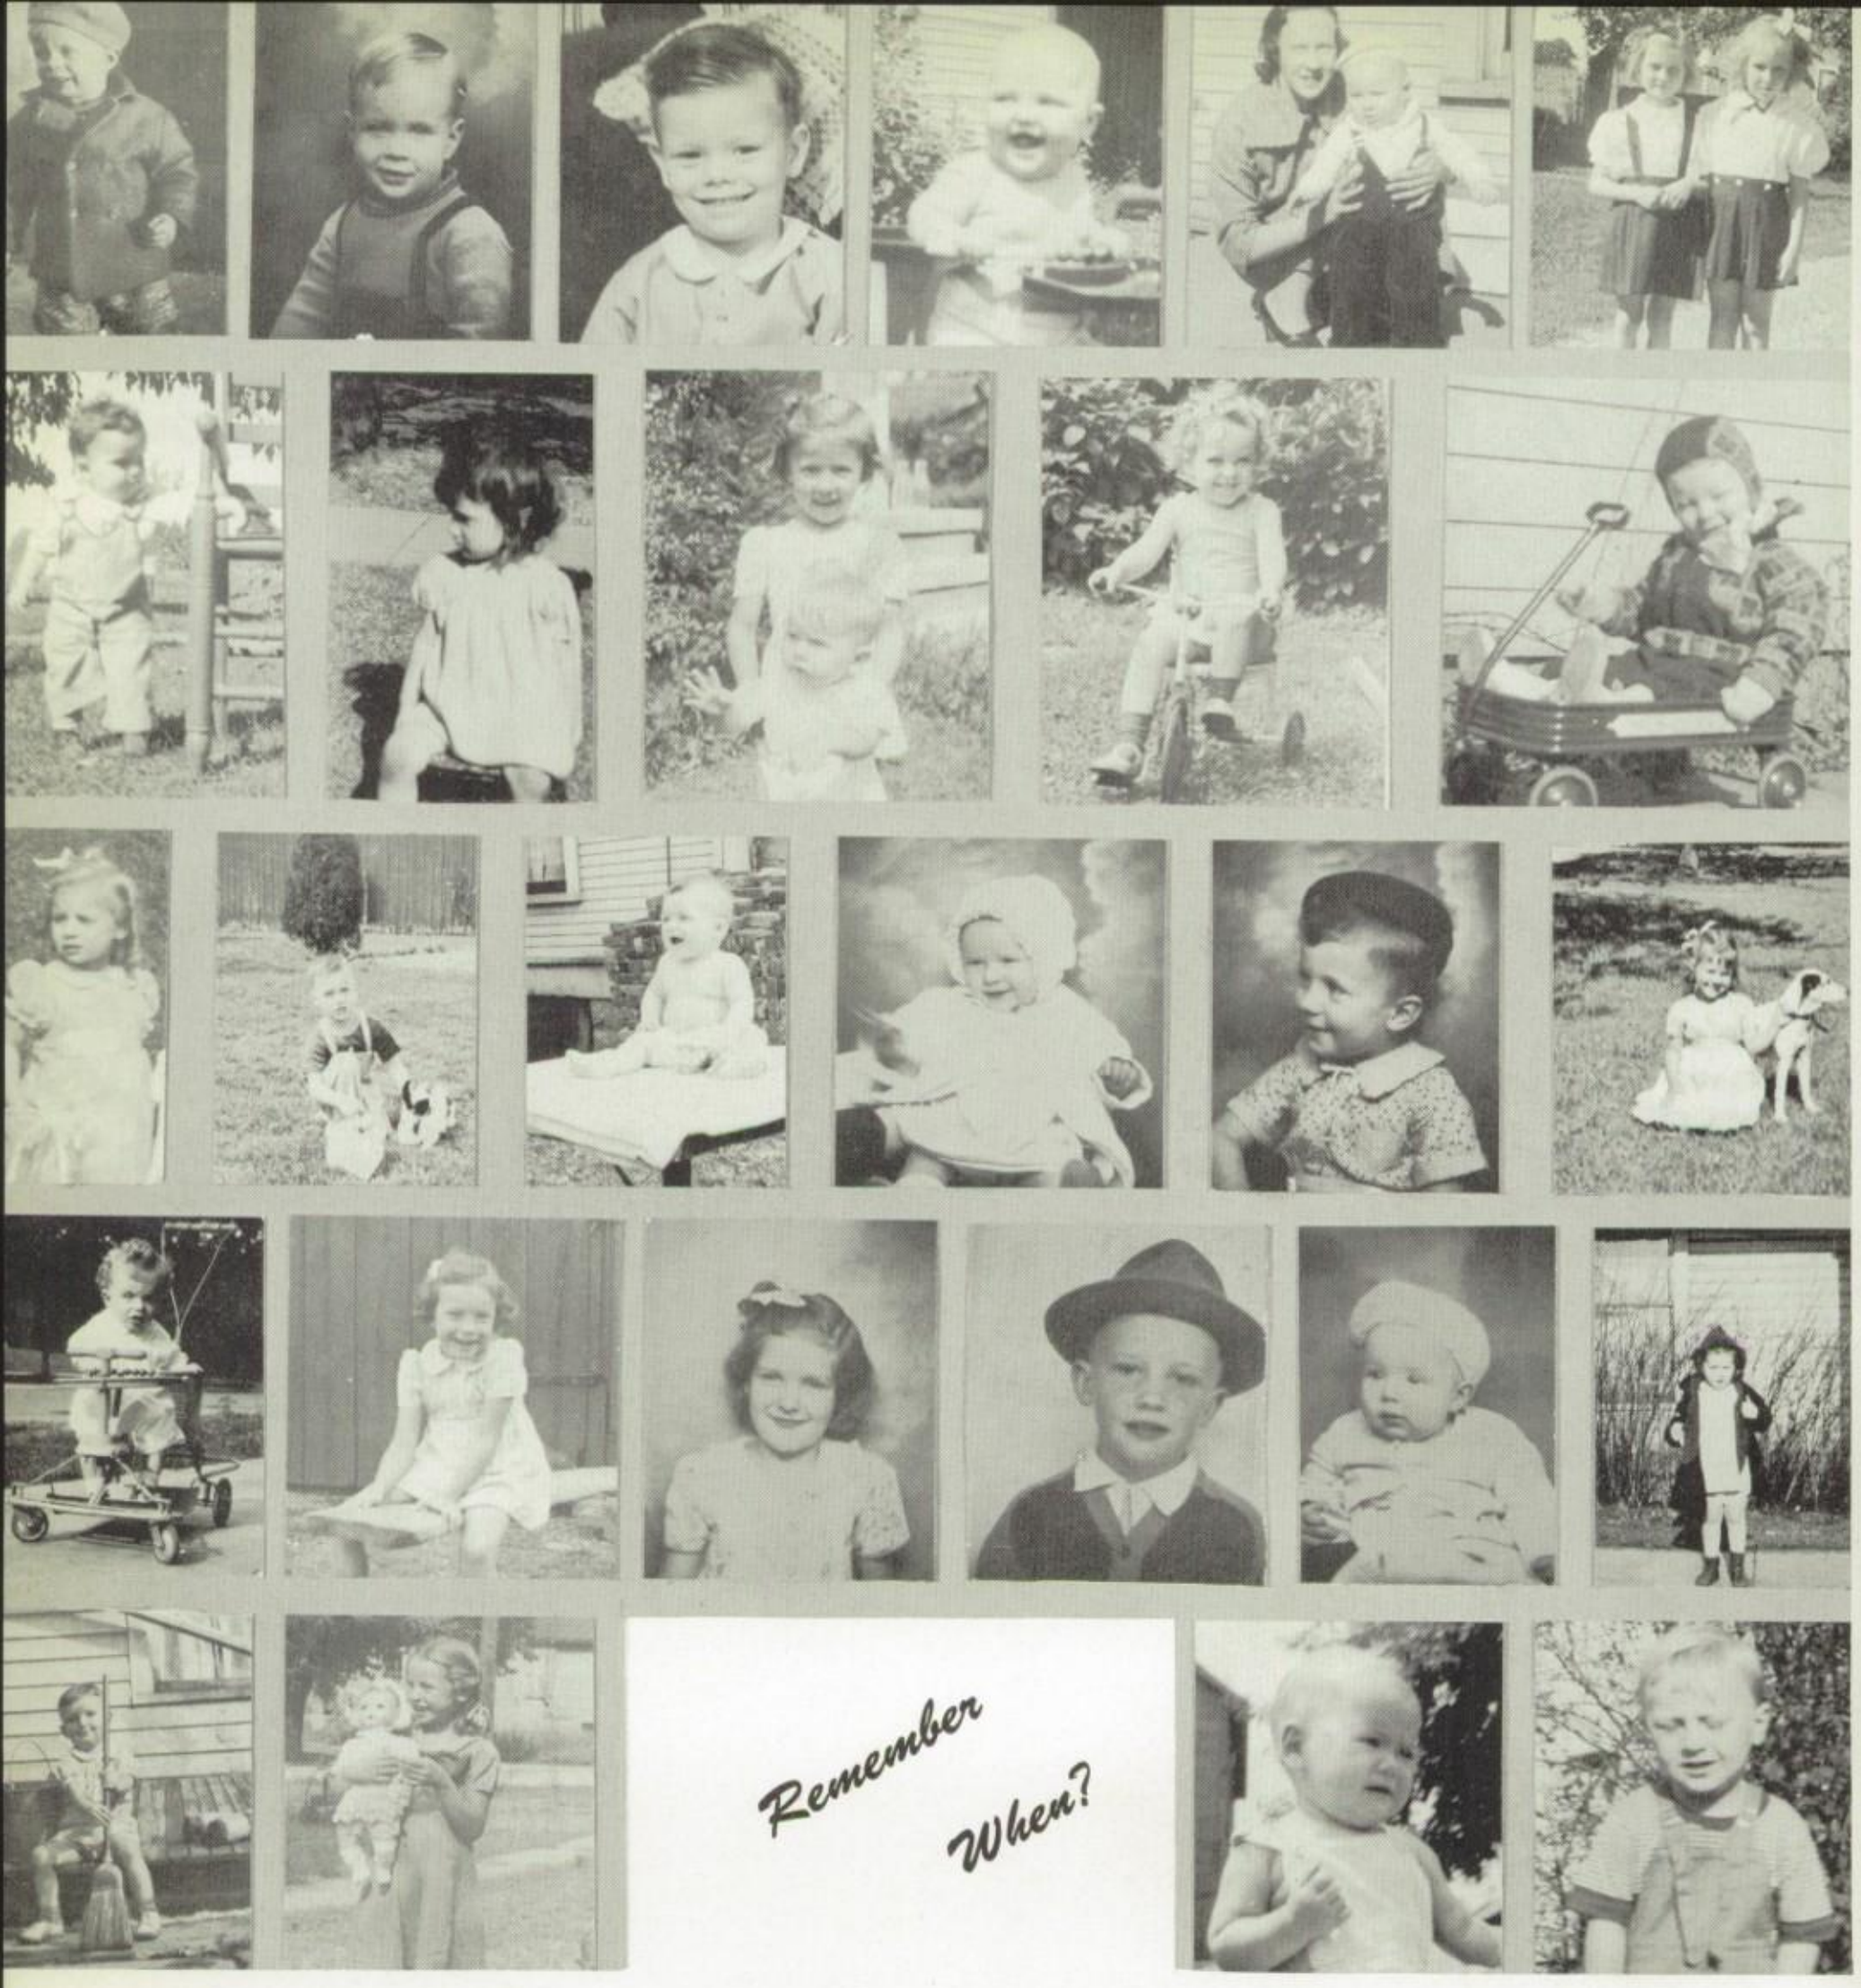
September 8, 1951 was begun by a class of twenty-seven Freshmen. Joyce Benge was with us once again after a few years absence, and Pat Packer returned after a short stay in Marion. Bernard Lyon allowed us to have two bake sales in his store this year. We spent most of the proceeds on a big class party.

Upon entering our Sophomore year we were aware of the fact that we would have to get on the well-known ball and make some more money if we were ever to finance a Senior trip. We collected tax stamps and received a nice check from the state for them. We had two more bake sales this year, too. One at Bernard Lyon's (bless his heart), and one at Frank Brothers in Marion. The latter wasn't too successful but we had a circus eating what we didn't sell! At the Senior's Penny Supper we had a Bazaar. It was just like the County Fair and we made all kinds of money on this project. During this year Louis Chamberlin's family moved to Mansfield and Bert Sparrow moved to Ashland, Kentucky.

Then we were Juniors. Betty McEldowney, Carolann Farley and Bob Straley started this chaotic year with us. Cherita Underwood returned from Louisiana. Miss Laibe was our class advisor. During the year we sold Christmas cards, had a tax stamp party, and put on the class play. In the spring was our Junior Senior Banquet. Betty McEldowney was able to stay with us just for this year and Pat Packer left unexpectedly and went to Florida.

Then came the year we had been waiting for. Seniors at last! We had three new members with us at the beginning of the year: Janet Reeder, Lanny Reed, and Jerry Gorby. This made our grand total thirty-two, the largest class ever to graduate from Caledonia High School. During the year we sold more Christmas cards, sent in tax stamps, had a class play, produced this yearbook, and tackled a few other projects.

We decided to be different and take our trip just after Easter. We spent six wonderful days in Washington D. C. and New York City. When we think of all the enjoyment we derived from our work it doesn't seem that it was at all hard. And now here we are, wishing that we could relive every moment of it. "Nothing now is left but Majestic Memory."



My what a pretty hat, Bob D. -- Smile for the birdie, George -- Tom had the angelic look at an early age -- Gee, Barb, you don't say! -- Sun in your eyes, Doug? -- Carol and Beverly have been pals for quite a time -- We didn't know you had curly hair, Lanny -- Looks like Carol Ann didn't want her picture taken -- What you looking at, Tom? --Who you posing for, Sunny? -- My but you look good in plaid, Frank -- Looks like Mary Louise is going to a wedding -- Larry and his pet rabbits -- Having fun, Bob H. -- Janet looks so happy -- Howard must have been looking at a girl -- Your friend, Reggie? -- Gene sure looks mad -- Janis seems to be enjoying herself -- Shirley, say 'cheese' -- That hat sure does things for Tom -- Ray, you've changed! -- You could mistake Cherita for Little Red Riding Hood -- What's the broom for, Jim? -- That's a pretty doll, Joyce -- Don't cry, Norma -- Sleepy, Bob S.?

CLASS PROPHECY

THE YEAR? 1980

THE PLACE? The twenty-fifth Class Reunion of the Class of 1955 at Caledonia High School.

Due to the fact that I had to drive quite a distance, I decided that I would rather be somewhat early than late; I was the first one there. However, a few more of my classmates came soon after. LANNY REED was first. He is a life guard at the Caledonia Municipal Pool. He loves saving those pretty bathing beauties. I had no sooner shaken hands with him when BOB HILL walked in. He is quite well-known for his ADVICE TO THE LOVELORN column in several popular newspapers.

Next came Juvenile Judge JIM ULSH. I was surprised to see that he could find time to come. He is so busy these days suspending high-school boys' drivers licenses. With him was REGINA YANDO, who is now president of the Caledonia W. C. T. U., and the movie star, JANET REEDER. Janet has taken Marilyn Monroe's place on the screen.

GEORGE LONGACRE came in but he wouldn't tell me anything except that he is still going to college. Nobody knows what he is studying to be, but he should be a good one after all these years.

I saw TOM BRYANT, who is a very successful whiskey sampler with a large distilling firm. With him was TOM PHILLIPS. He was all worked up about winning a medal today for standing in line the longest at the Unemployment Office. He hasn't missed a single day in twelve years!

I got to talk to JANIS REAMSNYDER for a minute. She is the president of the International Ladies' Garment Workers Union. Then there was Larry Brooks. He is a funeral director. He told me that he buried his mother-in-law last week.

CHERITA UNDERWOOD couldn't be here so we borrowed a TV set to watch her show. She impersonates all of the old-time singers. She can even squeak like Teresa Brewer used to! RAYMOND WALKER told me that he will go on TV next month. He is a wonderful columnist.

Executive, DOUG WHITEAMIRE, was there. His latest development is a tire without treads. That way, no plaster casts can be made of them if you happen to accidently drive over someone's lawn.

TOM SICKEL told me that he manufactures antiques. He brought each one of us one of his "collectors' items". He tried to bring us something that was related to our work. For instance: he brought GENE RICE an old-fashioned glue pot, since he is president of a glue factory. Cedric always could gum up the works.

As CAROL UNDERWOOD and BOB DICKERSON are famous comedians, we let them put on a short act. There wasn't a dry eye in the whole crowd.

BEVERLY HARPER was a little late as she had some last-minute affairs to attend to at her night club. It's called the Crane Club. I guess that's the nearest thing she could find to a stork.

BOB SNADER gave a short talk about his career as an educator. Caledonia High School now uses his textbooks.

BARBARA PICKETT, the ballet dancer, put on a floor show for us. Then NORMA CRISSINGER sang. She is an opera singer with the Metropolitan Opera Company.

ERVINE HUNT gave the main speech for the evening. He is known throughout the nation for his excellent lectures.

Of course, we all had to get around to congratulate JOYCE BENGE. She won fame in Congress last month for holding the longest filibuster in history.

I interrupted a conversation between JERRY GORBY and BOB STRALEY. Jerry is now employed as Liberace's special dentist. Bob is teaching a class at the Y. M. C. A. on how to cheat at poker.

I had a nice visit with MARY LOUISE GREEN. She is an X ray technician. I guess she always did enjoy looking into things.

MARTHA CLARK came bustling up to tell me about her trip. She was lucky enough to get to go on the first trip to the moon. You can read an account of it in next week's Life Magazine.

JIM CHAPMAN was telling me how much he enjoyed teaching etiquette at Caledonia High School. He has been there for twenty years now. He works up by the lakes in the summer where he picks crabs off apples.

CAROL ANN FARLEY danced for us a little. At present, she is teaching a class on how to Necci with a new sewing machine.

Then finally HOWARD KOEHLER made his entrance. His latest invention is a cellophane overcoat for winter sunbathing.

Things started to drag so SHIRLEY GUINTHER suggested that we all do something drastic, such as going to a movie called "How to Marry a Millionaire", in which she is the star. She knows all about this from personal experience.

It has been quite an evening, enjoyed by all who attended. We all hated to see the party break up. Now we can look forward to another get-together for another year.

As for myself, I am an author. I've become quite popular for my book, HOW TO LIVE TO BE NINETY, which I wrote at the age of thirty.

We, the annual staff wish to take this opportunity to thank everyone who helped in any way to make our yearbook a success. We had fine co-operation from the merchants in connection with our advertising campaign. Of course, it would have been very difficult to finance a project of this size without their help. Also, there were quite a few people who had their photograph albums ransacked; we appreciated their permitting us to use their pictures on these pages and we hope they didn't mind too much.

The staff itself couldn't possibly have done all the work. We asked for, and received, a lot of help from the rest of the Senior Class; Mr. Retterer, our advisor, and various other faculty members; Mr. Cubberly, our photographer; and many other persons. This sort of co-operation is really necessary in order to produce a yearbook such as this.

It will be quite a relief now that all our worries about meeting deadlines, and the like, are over. However, in spite of everything we had a lot of fun.

We hope your 1955 "Donian" will renew many happy memories and give you much pleasure in the years to come.

FOOTBALL

Seated: Howard Koehler, Gene Rice, Doug Whiteamire, Tommy Phillips, Don Sherer, Larry Brooks, Bob Stafford. Standing: Tom Sickel, Lanny Reed, Jim Chapman, Bob Dickerson, Ray Walker, Melvin Bryant, Jerry Gorby, Bill Hunt, Mr. Walls.

Claridon	56	Caledonia	8
Marengo	46	Caledonia	26

As seen by the above scores our football team did not do very well this year as far as winning games. However, they all played very hard and never gave up until the game was over.

Coach decided since everyone worked so well each boy would get a varsity letter.

We think a special hand should be given to those Seniors who have played their last high school game: Larry Brooks, Jim Chapman, Bob Dickerson, Jerry Gorby, Howard Koehler, Tom Phillips, Lanny Reed, Gene Rice, Tom Sickel, Ray Walker, and Doug Whiteamire who was our Captain.

The Caledonia Varsity Basketball team had a very good season. We lost only one game in the league, to LaRue. We tied with LaRue for first place in the league. Every one was proud of our fine team and enjoyed following the boys.

We started out very well in the tournament but, in a streak of bad luck, lost to Prospect, then to Claridon in the finals of the Consolation Tournament. The captains accepted the trophy for first place in the league; later they were awarded a basketball for fourth place in the county tournament.

The Caledonia Reserve Basketbal team had a wonderful season this year. As shown by the above scores, we didn't lose a single game; however, several of the games were very close and exciting. Each of the boys played well all season and had a lot of fun, besides.

On Saturday evening, February 26, Captain Lanny Reed accepted in behalf of the team, a lovely trophy for first place in the County Reserve Basketball League.

The Girls' Athletic Association was initiated this year in the Caledonia High School. It was organized for after school activities. In the fall we had a bowling league. We bowled for six weeks at the Palace Bowling Alleys in Marion. During this time we learned the fundamentals of bowling and the methods of scoring.

During the winter months we played basketball. Each of the upper six grades had its own team and participated in an after school tournament. We completed the basketball season by entertaining the Mt. Gilead girls on March third.

In the spring our time was divided between playing Softball and Volleyball.

As this was the first year for G A A it was not organized on an awards basis. There were no officers elected but chairmen were appointed for each activity.

The Caledonia Marching Band started the 1954-55 school year with about forty-five members. Sally Gamble was elected head majorette and Mr. McPhail, our new music teacher, was our director.

We were very active during the football season. We played several numbers before and between the halves of each game. Especially exciting was the program we gave the night of the Homecoming game.

When the football season was over we organized the Concert Band. The highlight of the concert band season was the annual County Music Festival held at the Coliseum in Marion. Also, during the Basketball Tournaments we united with the Martel Band and played at the halves of any game in which either team participated.

The band student's year is not quite over with the end of school. There is still the annual Memorial Day parade in which the school band always marches.

HOMECOMING

Seated: Doris Walker, Barbara Pickett, Martha Clark, Jackie Sickel, Donita Douce. Standing: Ronnie Timson, Linda Sue Winters.

Homecoming ceremonies were held on October 22, 1954 before the football game with Claridon. The Queen and her attendants arrived at the north side of the field in three beautiful convertibles. The band marched out on the field and formed an aisle through which the football players escorted the Queen and attendants.

First came the Freshman attendant, Miss Donita Douce, with her escorts, Bob Dickerson, a Senior and Melvin Bryant, a Freshman.

Then came the Sophomore attendant, Miss Doris Walker. Her escorts were Jim Chapman and Howard Koehler, both Seniors.

The Junior attendant was Miss Jackie Sickel. Her escorts were Bill Hunt, a Freshman, and Jerry Gorby, a Senior.

Next was the Senior attendant, Miss Barbara Pickett. Her escorts were two Seniors--Lanny Reed and Tom Phillips.

Barbara was followed by two smaller folks. They were Linda Sue Winters, crown bearer from the first grade, and Ronnie Timson from the third grade. Ronnie carried the ball to be used in the game.

Then came last year's Queen, Miss Dixie Detwiler with Raymond Walker and Larry Brooks as escorts.

At last, with her escorts, Co-captains Doug Whiteamire, a Senior and Don Sherer, a Junior, came our 1954 Homecoming Queen, Miss Martha Clark. As Martha walked across the field the band played "The Sweetheart of Sigma Chi."

Dixie crowned the Queen and Martha presented the ball to the co-captains, who, in turn, gave her a big kiss.

The Queen and her entire court reigned over the game.

JUNIOR-SENIOR BANQUET

On the night of May 15, 1954, the Junior Class entertained the Seniors at the annual Junior-Senior Banquet. The banquet was held at Green Lawn Inn near Crestline.

A springtime theme was carried out in the decorations. A bower of many pastel colored streamers made an artificial ceiling over the entire dining area. A different theme was carried out for each of the eight tables. Among the centerpieces were a wishing well, a maypole, a birdhouse, a pond, and May Day baskets, all with matching nutcups.

The centerpiece for the main table was a ship of yellow carnations, the Senior Class flower. At the close of the program each of the Seniors was presented with one of the carnations. Sweetpeas and ivy entwined the stairway with the Seniors' motto in yellow carnations across the top. The center of attraction was a beautiful artificial garden at the rear of the room.

Gene Rice, as master of ceremonies introduced Jim Ulsh, the Junior Class President, who welcomed the Seniors and faculty members. Paul Layman, Senior Class President, gave the response. Following the meal entertainment was furnished by members of the Junior Class. The remainder of the evening was spent in dancing.

The Junior Class felt that the Banquet was very successful, and that their weeks of hard work had been well worthwhile.
